See Amendment  
2009

## ARTICLE V

### Building Inspections

#### § 67-19. Building inspections generally.

Inspections of work in progress for which a permit has been issued, and fire prevention and safety as required by the Uniform Code, shall be made by the Building Inspector. Upon showing proper credentials and in the discharge of his/her duties, he/she shall be permitted to enter upon any building, structure, site, or premises without interference, during reasonable hours and with sufficient notice.

#### § 67-20. Inspection of work in progress.

- A. Inspection of work for which a permit has been issued shall be made at such times and intervals as may be necessary and appropriate to determine whether the work is being done in compliance with the Uniform Code, this chapter and any other applicable
